LAVAGNA 2.0

CULMINATION OF STONE

The exquisite appearance of Lavagna 2.0 brings to life the stunning hues of refined natural stones found in abundance in the caves of Minas Gerais in the South Eastern region of Brazil. Among them are marble, granite and ardesia, each carrying a distinctive appearance that becomes the design focus behind the Lavagna 2.0 collection.

Lavagna 2.0 is marked by the perfect calibration of three colours, uneven slate surfaces, riven granite texture and silky sheen of marble. Available in the versatile dimension of 600x1200mm and a thickness of 10.5mm, Lavagna 2.0 is suitable for walls or floors, indoor or outdoor, in any environment.

DECORS MOSAIC

Every piece is hand-crafted with geometry and symmetry in mind, cut using the latest water jet technology and assembled by hand to create a fascinating tile tapestry in your home.

MO DU LAR SIZ ES

HAVE A DESIGNER'S TOUCH FULLY LOADED IN A BOX

In the Feruni modular box, a few sizes of tiles are combined to form exceptional design patterns when installed. Complex patterns are now within reach with precision pre-cut sizes for easy assembly. Calculating of quantity for different sizes is now simplified and made easy in a box.
